

# SENIOR PRODUCT DEVELOPER - SWAROVSKI LIGHTING (F/M/D)

**Location:** Wattens

**Reference ID:** R-28636

## WHAT YOU CAN EXPECT

In this challenging position you will be responsible for the development and the implementation of product strategies in order to successfully position a range of Swarovski products in the market. The job encompasses sourcing, leading prototype development, quality control and cost analysis – translating a customer need from a product brief into a proposal and into a final solution. In addition, the jobholder will liaise with the departments of product management and design.

Some of your key responsibilities will be leading the development of customized, semi-finished or finished lighting product solutions, managing product development life cycle with consideration of company guidelines – from the initial idea to serial production, executing technical feasibility studies including calculation of manufacturing costs, overseeing the complete product creation process starting from sample making until final product approval ensuring the efficient, customer oriented and timely realization of projects.

## WHAT WE EXPECT

As the ideal candidate for this position, you have a passion for product management, sales and bring strong experience in the field of product development.

Furthermore, you will bring an excellent academic background with a focus on mechanical engineering, industrial engineering and/or business management, at least 5 years of experience in equivalent role and specific product development knowledge required, ideally in the luxury interior industry. Leadership experience would be a plus.

Outstanding presentation, communication and negotiation skills, commercially minded and ability to collaborate cross-functionally, strong customer and result-driven orientation would be also be appreciated, as well as fluent English and German language skills.

## WHAT WE OFFER

Since 1895, Swarovski is ranked one of the most valued luxury brands in the jewelry and fashion industry. Swarovski as an entrepreneurial family business offers a high performing people environment, tremendous opportunities to grow and contribute and a modern and architecturally attractive workplace. Furthermore, being located in Tyrol, one of the best-known holiday regions in Austria, Swarovski provides the best precondition for a pleasant work atmosphere and work-life balance.

As required by law, we advise that the collectively agreed base annual salary for this position is set at a minimum of € 44.000 gross. Our actual salaries are market competitive and take individual qualifications and experience into account.

Does this sound like you? If so, we look forward to receiving your online application. [jobs.swarovski.com](https://jobs.swarovski.com)
