

JOIN US AS

FRONTEND DEVELOPER (m/f/d)

As a Frontend Developer at Txture, you will work with a strong technical and highly skilled team and have a huge impact on the success of our product. You will be responsible for our user interfaces and work closely with your peers, product managers, and sales engineers. We work with agile methodologies and aim to learn from each other. At Txture, we value motivation to contribute as well as sharing knowledge and experience.

These tasks are waiting for you

- Build modern web-based user interfaces
- Collaborate with product management to understand the solution requirements of customers
- Solve challenging tasks in pair coding sessions to structure our web application
- Steer and maintain our technology stack and discuss the newest technological advancements
- Contribute to agile development processes
- Assume ownership over parts of our codebase and the application
- Have a direct impact on the development of our product
- Work with your teammates and different teams

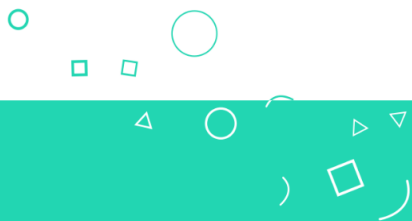

Our Technology Stack

- React
- TypeScript / JavaScript
- Emotion / StyledComponents
- GraphQL / REST

>> [Check out our technology stack on stackshare here](#)

Your profile

- A degree in Computer Science, a related field, or equivalent experience
- Knowledge of React, TypeScript, web application development
- Experience in API development, preferably with GraphQL / REST
- Deep understanding of software development and delivery processes and related technologies like Git, CI/CD pipelines, testing, bundling, containerization, and deployment

- Experience with Scrum and applying some agile methodologies
- Communication strength, quality awareness, and team player mentality
- Fluent in English, German is a plus

Conditions and Benefits

- Working at the forefront of global cloud transformation
- Collaborating with the most successful cloud consulting companies in the world
- An employee-oriented work environment and a young motivated team
- Attractive benefit packages (working abroad, team bonus, team referral, buddy program, etc.)
- Flexible working hours (Morning sports session? Works for us!)
- An office in the heart of the Alps, a rooftop terrace with a view
- A minimum gross salary starting from 44.000€ / year (overpayment with appropriate experience)
+ company -wide performance-based team bonus

Why you might not want to work with us

- We live a hands-on mentality where everyone feels responsible for identifying and addressing problems. If you are not a proactive person, we won't make you happy.
- Our whole development team is based in Innsbruck at the moment. Therefore, we are looking for someone who can join us in our great office. If you are currently looking for a fully remote job, you might not be our first choice, but try to convince us of your qualifications.
