ALPLA[®]
FAMILY OF PIONEERS

Shape the next generation of plastic packaging solutions with us. We are a family-owned business focusing on the sustainable development and production of innovative packaging systems for a wide range of industries. Join us in paving the way towards an efficient circular economy in the packaging industry. Sustainability and in particular the environmentally conscious use of resources drive all business activities for our clients. Founded in 1955 in Austria, 23,300 colleagues now work together in 190 production facilities in 46 countries.

INTERN SUSTAINABILITY (ALL GENDER)

 **Hard / Vorarlberg / Austria**

 **Internship**

 **Strategy & Sustainability**

WHAT YOU WILL ENJOY DOING

Your main task is to support the Corporate Sustainability team members with daily tasks, primarily related to the following topics:

- External reporting on ALPLA's sustainability performance
- Responding to internal and external requests concerning Sustainability at ALPLA
- Developing and maintaining ALPLA's ESG data governance, including its carbon accounting
- Developing and maintaining ALPLA's climate risk assessment
- Monitoring and interpreting ESG related legislation
- Implementing sustainability initiatives of ALPLA at Group and regional level

WHAT MAKES YOU GREAT

- Degree in the fields of environmental science, sustainability, business administration or similar
- Structured and analytical mindset
- Very good verbal and written communication skills
- Solid knowledge of Excel
- Passion in sustainability topics
- Excellent English skills, German is an asset

WHAT YOU GET IN RETURN

- We are an international, modern, flexible company with a family background
- Challenging tasks and a varied working environment await you
- You will receive targeted induction training and professional support
